

5 LITTLE SPIDERS

Thank you for downloading our free printable 5 Little Spiders chant. This is a fun adaptation of the popular 5 Little Pumpkins chant. In the 5 Little Spiders song we help kids learn some basic facts about spiders as well as rhyming words.

TIPS & IDEAS FOR USE

Print the song page (you can make it even bigger if you have large size printer capabilities), display the song pages on a presentation device, or copy the song onto chart paper.

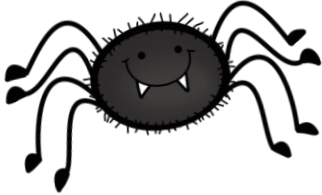

As you sing hold up number cards, pretend spiders or your own DIY [spider rings](#) or [spider hats](#) as a way to practice ordinal numbers and provide a visual cue for the chant.

5 Little Spiders

Tune: 5 Little Pumpkins
Adapted by Shaunna Evans

There were five little spiders
sitting on the wall.

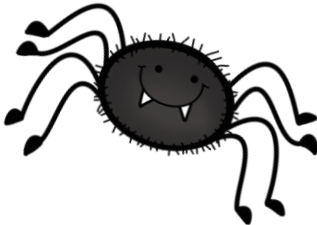

The first one said,
"We won't fall."

The second one said,
"We've got eight legs."

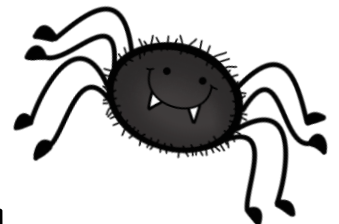

The third one said,
"And we lay eggs."

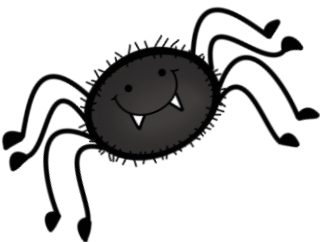

The fourth one said,
"We're covered in hair."

The fifth one said,
"But we don't care."

Then flip went the switch,
and on went the lights.

And the five little spiders
scurried out of sight.
