

THIS IS THE WAY (WINTER)

Thank you for downloading our free printable This is the Way Winter song. This is a fun song to get kids moving and help them remember some of the signs and vocabulary terms related to winter.

TIPS & IDEAS FOR USE

Print the song pages (you can make it even bigger if you have large size printer capabilities), display the song pages on presentation device, or copy the song onto chart paper.

You can use the song and picture prompts as they are listed on the song charts, or you can have kids brainstorm their own winter actions to include in the song and make up your own verses.

As you sing either hold up a cue card yourself to help kids remember what is next, or have song helpers hold up the cards for classmates to see.

You can also combine the song pages into a song book for kids to read and sing during center time.
